

2019/2020 Pat Farry Rural Health Education Trust Travelling Scholarship

Visionary leader, highly respected teacher, healer, mentor, tireless advocate and champion of Rural Health, Dr Pat Farry was unmatched in his efforts and contribution to Rural Medicine and General Practice Education.

His vision of sustainable and quality health services for rural communities and small towns of New Zealand was through education. He devoted much of his career to advocating and lobbying for improvements and funding for rural medicine. The Pat Farry Rural Health Education Trust was established in March 2010, with the purpose of continuing this legacy.

"I always thought Pat's continued stream of ideas emanated from his regular international travel and his numerous international contacts. Amongst its other aims, the trust will be able to support young people in the health care sector, to spend time in overseas units, to return, and to become the new generation of ideas generators."

-Dr Stuart Gowland, Trustee

Scholarships

The Pat Farry Rural Health Education Trust currently considers applications for one scholarship; the annual Pat Farry Rural Health Education Trust Travelling Scholarship. This scholarship is under consideration, and is dependent upon funding availability.

The Pat Farry Rural Health Education Trust Travelling Scholarship is awarded annually subject to funding availability and receipt of suitable applications. The amount of the funds available is up to 5,000.00 for one recipient.

The Scholarship is available to a student of the University of Otago Faculty of Medicine to be specifically used to fund their Trainee Intern (6th year) Elective. Scholarship applications will be invited from 5th Year students based in either, Wellington, Christchurch or Dunedin Schools to enable their advanced elective planning. Preference will be given to those participating in the 5th Year Rural Medical Immersion Programme.

Upon returning to New Zealand, the Trust will expect the recipient of the Scholarship to present a formal report to the Trustees (within a timeframe agreed) as well as at a national event, such as the New Zealand Rural GP Network's annual conference.

2019/2020 Pat Farry Rural Health Education Trust Travelling Scholarship: Timeline

- By 15 Aug 2019 Application process for 2019 (for travel in 2019/2020) announced
- 16 Aug 2019 Applications open
- 24 Sep 2019 Applications close
- Early October 2019 Pat Farry Rural Health Education Trust Trustees consider all applications
- Mid Oct 2019 Finalist applicants advised and interview schedule set
- Late October 2019 Scholarship recipient announced

The Trust reserves the right not to award the scholarship in the event of unsatisfactory applications.

Applications for 2019/2020 should be made on the attached form and returned to the Secretary of the Trust, to whom all other queries can be directed.
